

 **RGYC**
FOUNDATION

Assisting Royal Geelong Yacht Club to foster the sport of sailing and give back to our community.

Your Foundation In Action!!

Thanks to generous sponsorship by **Geoff Maloney** from **POD Active**, last Thursday around 70 grade 5/6 students and staff from Bell Park North Primary School participated in sailing and racing the fleet of RS21s.

They were given instruction on basic sailing and safety and also attempted the various knots used in the sport.

The day was a huge success and the shrieks of laughter and excitement could be heard across the bay.

Thankyou also to the Sailing Academy and the volunteer skippers and safety boat drivers.

If you would like to support this program please visit our website. It would be greatly appreciated.

Lynne Johnston
Honorary Secretary
